Categories: [redacted]

Hi Olivia,

Proposal: Change of use from class B8 to F2, including internal works
Location: King George V Playing Field St Peters Road Huntingdon PE29 7DA
Planning Ref: 24/02160/FUL
EH Ref: 404172

Thank you for your response to my previous concerns. I have considered the applicants comments and if outside noisy, boisterous games will be played on alternative land away from the neighbouring properties then I have no issues to raise regarding this aspect. I note that should they wish to camp outside they have also confirmed there are more suitable facilities for outside camping experiences at designated Scout campsites at other locations.

If you are able to condition the extraction information to be supplied prior to the installation of the equipment (and agreed by the LPA) then this has addressed my concerns. I'm happy to discuss wording on this one if needed. I would also recommend the applicants discuss the extraction requirements with us (EH) as early as possible.

I have no further issues to raise.

If you have any queries or wish to discuss this matter further please don't hesitate to contact me.

Kind regards,

Claire.
