This response has been written regarding Condition 7 of application 19/01445/FUL.

Condition 7

The following condition was determined in this report.

'The development hereby permitted shall not be brought into use until a Travel Plan, based on the measures and recommendations contained in the RPS Framework Travel Plan dated June 2017, has been submitted to and approved in writing by the Local Planning Authority. The approved Travel Plan shall be implemented in full and the Motorway Service Area shall operate in accordance with the approved Travel Plan at all times unless otherwise agreed in writing by the Local Planning Authority.'

Comments

The Travel Plan outlines numerical multi-modal targets, the appointment of a Travel Plan Coordinator, and confirms that the Travel Plan will be monitored. Additionally, the applicant has agreed to fully fund the Travel Plan. This is deemed acceptable.

Conclusion

As submitted the Local Highway Authority have no objections to the discharge of condition 7.
