RE: ***Application description***

Proposal: Discharge of condition 11 (Construction Traffic Management Plan) of 23/00876/FUL
Location: Kate's Cabin Cafe Great North Road Chesterton PE7 3UJ

Following a review of the documents provided to the Highway Authority as part of the above planning application I have noted that the CTMP Figure 3.1: Regional Routing Plan indicates that south bound traffic will exit the site onto the A1, exit the A1 onto A605 Oundle Road, then turn onto the section of Oundle Road through Alwalton village to join the A1 southbound.

However, Oundle Road through Alwalton village is an unclassified road which has residential frontages.

The south bound traffic should therefore continue on the A605 to join the A1139 Orton Parkway and Fletton Parkway and rejoin the A1(M) southbound at Junction 17.

Therefore, the details provided for Condition 11 (Construction Traffic Management Plan) are not suitable for the submission element of the Condition to be discharged.
