Dear Kevin,

**25/80077/COND – Chesterton Lodge Farm, Great North Road, Chesterton**

Thank you for your consultation in regards to the above referenced planning application.

We are in receipt of an approved Written Scheme of Investigation (WSI) for the historic building recording portion of the scheme which has been attached to the portal. We are also in receipt of an approved WSI for the evaluation phase (see attached) which we would recommend is attached to the application also.

This WSI represents a Written Scheme of Investigation for the evaluation portion of the archaeological fieldwork only. As the fieldwork is yet to be undertaken, we advise that the condition is not discharged and is retained until further work is complete. As per section 1.1.7 of the approved evaluation WSI attached to this email:

*This document provides a methodology for the archaeological trial trench evaluation of the Site only; this document will NOT result in the discharge of the archaeological condition.*

Kind Regards

Lewis
