HUNTINGDONSHIRE DISTRICT COUNCIL

24/01925/HHFUL

OFFICER REPORT

Case No: **24/01925/HHFUL** **Householder (Full)**

Proposal: **Erection of two storey side extension**

Location: **9 Drivers Avenue Huntingdon PE29 1UP**

Applicant: **Mr Chris Armer**

Grid Ref: **524486 272336**

DESCRIPTION OF SITE AND APPLICATION

The application site at 9 Drivers Avenue is occupied by a two-storey semi-detached dwellinghouse located within a residential area in Huntingdon. There are no constraints relative to the site.

This application seeks permission for the erection of a two-storey side extension.

Officers have scrutinised the plans and have familiarised themselves with the site and surrounding area.

NATIONAL GUIDANCE

The National Planning Policy Framework (December 2023) (NPPF 2023) sets out the three objectives - economic, social and environmental - of the planning system to contribute to the achievement of sustainable development. The NPPF 2023 at paragraph 10 provides as follows: 'So that sustainable development is pursued in a positive way, at the heart of the Framework is a presumption in favour of sustainable development (paragraph 11).'

The NPPF 2023 sets out the Government's planning policies for (amongst other things):

* delivering a sufficient supply of homes;
* building a strong, competitive economy;
* achieving well-designed, beautiful and safe places;
* conserving and enhancing the natural, built and historic environment.

Planning Practice Guidance and the National Design Guide 2021 are also relevant and material considerations.

RELEVANT PLANNING HISTORY

18/01978/HHFUL - Front porch extension and rear kitchen extension (Permission)

CONSULTATIONS

Huntingdon Town Council - No comment.

REPRESENTATIONS

None received at the time of determination.

SUMMARY OF ISSUES

The main issues to consider in the determination of this application are:

- Design and Visual Amenity
- Residential Amenity

* Design and Visual Amenity

The application seeks permission for the erection of a two-storey side extension at the north of the dwelling. The proposed extension measures approximately 3.9 metres in width and 5.4 metres in length. It has a relatively shallow pitched roof, measuring a maximum ridge height of 6.5 metres with eaves at 4.7 metres. The extension is to be integrated within the application site through the proposed use of materials to match those of the existing dwelling, therefore respecting the character and appearance of the dwelling and having a neutral impact on the wider area. This is further supported by the extension proposed being subservient to the main dwelling and set back from the front elevation of the property and its ridge height being set down lower than the main roof, thereby maintaining the hierarchy of the built form and respecting the appearance of the street scene.

Overall, taking the above factors into consideration the proposed development is considered to be acceptable with regard to design and visual amenity and would not have a significantly detrimental impact upon the character or appearance of the area. It therefore accords with Policies LP11 and LP12 of Huntingdonshire's Local Plan to 2036 in this regard.

*Residential Amenity

Given the scale and location of the extension to the side of the dwelling and having regard to the proximity and separation to the adjacent dwellings, it is not considered that there would be any unacceptable material impacts in terms of overbearing or loss of light, nor would there be any issues regarding loss of privacy or overlooking. The extension would be positioned to the north of the adjacent property at No.11, and with the travelling sun path of east to west, it would not result in any overshadowing impacts. The habitable first floor bedroom window is proposed to be positioned on the extensions frontage, thereby facing onto the street and so not resulting in any unacceptable privacy impacts for neighbours. The rear first floor windows are an en-suite window

and closet window which can both be conditioned to be obscure glazing to prevent any harmful overlooking impacts for No.11.

Overall, taking these factors into account the development is considered acceptable in terms of overshadowing, overbearing impact, overlooking, loss of privacy, loss of light and would not have a significant impact upon residential amenity and therefore accords with Policy LP14 of Huntingdonshire's Local Plan to 2036 in this regard.

*Conclusion

The proposed development is considered to be compliant with the relevant national and local policy as it:

* Is of an appropriate scale and design
* Would not have a harmful impact upon the character and appearance of the area;
* Would not have a significantly detrimental impact upon the amenity of neighbours.

Taking national and local planning policies into account, and having regard for all relevant material considerations, it is recommended that planning permission be granted, subject to the imposition of appropriate conditions.
