Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Does the property contain any asbestos containing materials that will likely be disturbed by the works associated with the extension and any other alterations to the property i.e. any existing fascia's, soffits, textured coatings, AIB, pipes etc? If so, will these be safely removed and disposed of via an appropriate contractor?

Kind regards
