Huntingdonshire District Council in pursuance of powers under the above Act, hereby **REFUSE TO PERMIT** for:

Proposal: Permission in principle for up to 2 dwellings with existing road access

Site address: Land Adjacent To 291 Oilmills Road Ramsey Mereside

Applicant: Mr Chris Dyer

in accordance with your application received on 19th May 2025 and plans (listed below) which form part of the application

Plan Type	Reference	Version	Date Received
Location Plan	PL01		19.05.2025

1. Reason.
   The proposed development is contrary to the development plan, being residential development outside of the built-up area of the small settlement of Ramsey Mereside. It does not demonstrate that it would accord with the limited and specific opportunities for development on land outside the built-up area of small settlements provided for by other policies of the Local Plan.

The loss of the existing open and undeveloped countryside character of the site, by the introduction of domestic dwellings and associated domestic paraphanalia would result in visual harm, together with the unacceptable erosion of land which creates visual separation between the sporadic built form extending from the developed area of the village and the wider countryside beyond. Furthermore, the location of the site is considered to be unsustainable for 2 dwellings having regard to the access to and separation distance of the site from the village centre, and the limited services and infrastructure therein.

Overall therefore it is considered that the adverse impacts of this development, would significantly and demonstrably outweigh the benefits, contrary to Policies LP9, LP10 (part b), LP11, LP12 (parts a, b, c, f and i), the National Design Guide (2021) parts C1, I1, M1 and M2, and the provisions of the NPPF (2024), in particular Para. 11 d) ii, 115, and 135 parts a, c and f.

2. Note to applicant.
Statement as to how the Local Planning Authority (LPA) has worked with the applicant in a positive and proactive manner on seeking solutions:

When an application is received, planning conditions will be used where they can make a development acceptable.

A clear reason for refusal identifies the specific reasons why the development is unacceptable and helps the applicant to determine whether and how the proposal can be revised to make it acceptable.

In relation to this application, it was considered and the process managed in accordance with the National Planning Policy Framework 2024.

NOTES

Rights of Appeal under the Town and Country Planning Act, 1990 Section 78

be prepared to exercise this power unless there are special circumstances, which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the Development Orders and to any directions given under the Orders. He does not, in practice, refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him.

If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State responsible for planning and the owner of the land claims that the land has become incapable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County District in which the land is situated a purchase notice requiring that Council to purchase his interest in the land in accordance with the provision of Part VI of the Town and Country Planning Act, 1990.

Claiming Compensation

In certain circumstances, a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

General Notes

This decision notice does not convey any approval or consent which may be required under any enactment, bye-law or regulation other than Section 57 of the Town and Country Planning Act 1990.
