Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Apologies if this is a repeat. If the permission to remove the Ash tree on boundary with 29 Louthe Way is approved then the direction of travel of the removal needs to be through the garden of the requester not the property of 29 Louthe Way. The boundary fence erected next to the tree is now rotten and will need replacing at time of tree removal to gain access to main trunk. Thanks in anticipation.

Kind regards
