Subject: Planning application 26/02077/TREE
Date: 17 November 2026 17:15:24

Dear Sir/Madam,

Planning application ref: 26/0277/TREE
Location: 13 Chestnut Walk, Little Paxton PE196QL

I am writing to you to acknowledge our support for this application.

Our property in 7 Dial Close backs onto these trees and in recent very wet or windy weather large pieces have come off these trees and fallen into the road. We welcome the application to reduce the height by two metres and fully support it.

Can I ask if the health of these trees will be checked at the same time as the height reduction to ensure the safety of them going forward please?

Many thanks
