Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Referring to planning application (24/02123/FUL) at the same location, this planning building is closer to my home. I think (24/02123/FUL) the "Comment" also apply to this application, such as the impact of noise and odor, archaeological, and another agricultural building (24/00899/AGDET) has been approved at the same location, the impact of the traffic and the landscape to be consider. Based on the above Uncertainties, I oppose this application

Kind regards
