Thank you for consulting us but this site is a scheduled monument as well as a grade 1 listed building. Under the legislation scheduled monument consent takes precedent over listed building consent, the applicant therefore needs to apply to Historic England for consent not the LPA. Planning permission may however be required .

You are advised that to undertake work to a listed building without listed building consent (or the undertaking of work without the prior discharge of conditions attached to a listed building consent) is a criminal offence under the Planning (Listed Buildings and Conservation Areas Act) 1990. These works may lead to the Council instigating a prosecution or enforcement action against you.

Please be advised that the contents of this Email represents the informal opinion of an Officer of Huntingdonshire District Council. These comments are made without prejudice to the eventual determination of any planning application that may be submitted.
