Reasons for comment:	
Comments:	Although I am not against the removal of Ash tree on the border of 29 Louthe Way and the property owner making this request to remove the Ash tree I would like it known that the direction of travel of the removal needs to go through the garden(s) of the requester. Not through the garden of 29Louthe Way. We have had a lot of work done in our garden so access on our side of fence is purely for the cutting of the tree. This should not be a problem as the fence posts are rotten that sits next to the trees trunk and can be replaced by the requester once tree is down. Thanks in anticipation.

Kind regards
