Reasons for comment:	
Comments:	This telephone kiosk is actually listed: it should not even be considered for removal. I actually take my Brownie unit to the kiosk on occasion to show them how to use the telephone there, given that most of them have no idea that such a thing even exists, it is looked at as a trip down memory lane when we go. I have even been known to call it from my mobile so that they can hear it ring out. This telephone kiosk should be left alone!

Kind regards
