Subject: RE: Planning Permission Consultation - Ducks Nest Polecat Lane Alconbury (ref 25/00552/HHFUL)

Dear Planning

Further to the response already submitted, Alconbury Parish Council would like to clarify its comments on this planning application as follows:

Recommend refusal - material observations:

1. The proposed roof extends above the existing roof level and therefore adversely increases the presence of the building in relation to the sensitive surroundings.
2. The biodiversity checklist response erroneously states that the proposal is not within 200m of a watercourse.

If you require this to be submitted on the official form, please let me know.

Kind regards
