25/00466/HHFUL - Wrap around extension. 47 Maryland Avenue Hartford Huntingdon PE29 1PX
Consultation closes – 9th April 2025

Recommend REFUSE. Members felt the scale of the proposed extension was not suitable and was not in keeping with the street scene. Members also noted concerns around highway safety due to increased parking, particularly parking on pavements in the area. Members felt the application was not compliant with Huntingdon Neighbourhood Plan policies BE1, BE2 and NE3 and Local Plan policy LP17.
