RE: Application description
Proposal: Change of use from (Class E) to bar (sui generis)

Site address: 7 Bridge Street St Ives PE27 5EH

Following a review of the documents provided to the Highway Authority as part of the above planning application I have noted that there is no parking associated with the site. Delivery vehicles will use existing loading bays.

The proposal may impose additional parking demands upon the on-street parking in the surrounding streets and, whilst this is unlikely to result in any significant adverse impact upon highway safety, there is potentially an impact upon residential amenity which the Local Planning Authority may wish to consider when assessing this application.

The Local Highway Authority raises no objections to the proposed development.
