Subject: Objection to 17 Miller Way Planning Proposal

17 Miller Way, Brampton, PE284RR Planning Proposal

I am objecting to this planning application because myself [redacted] directly impacted by the planning proposal. We are direct neighbours at 15 Miller Way and share a boundary. The closeness to the boundary of the proposal would be overbearing and result in loss of outlook and overshadowing due to the size of the building which is adjacent to my [redacted]
The latest plans show 4 bedrooms, a gymnasium and large communal area. If the proposal were to become a HMO (house in multiple occupation) then there is the possibility of up to 8 cars being parked in and around 17 Miller Way. The road of Miller Way in front of 17 Miller Way was originally a close (a street without through access) with limited width (it is a narrow street). The road is also a bus route. Consequently the road is not suitable for on street parking. The HIghway Authority should be made aware of this.

Best Regards
