Subject: RE: Planning Application 28 Main street farcet

I would like to object against the planning application for a crossover at the above address. [redacted] The Salvation Army 1 Field Terrace and this would affect access and the amount of vehicles down field terrace which is already overcrowded with cars most weekends and evenings during the week. We have services and community events on where people need to be dropped off and also park cars with disabilities, limiting access would hinder this. I also feel this is dangerous to increase the amount of traffic turning down a small road. Also I feel this would affect the water table down field terrace which is already prone to flooding.
If any more information is needed then feel free to contact me.
Many Thanks,
[redacted]
