Dear Sir / Madam, I am writing in connection with planning application 25/00737/HHFU

I have already written to 'development control' and made 2 small comments in the letter I sent about the application. Since then I have talked to both [redacted] (who made the application) and we discussed the work to be done. I am writing to say I have no objection at all to the planning application. I do not think that the proposed 'gym' will affect me adversely at all.
Yours sincerely, [redacted] 67 Avenue Road -which lies just behind the boundary wall with 20 Kings Road.

Yours sincerely, [redacted]
