RE: ***Application description***

Proposal: One fascia sign and one projecting sign, both externally illuminated
Location: 17 - 19 Market Square St Neots PE19 2BQ

Following a review of the documents provided to the Highway Authority as part of the above planning application, it was noted that the projecting sign has 4.9m clearance above the footway and the illumination of both signs is acceptable.

Therefore, no significant adverse effect upon the Public Highway should result from this proposal should it gain benefit of Planning Permission.
