NOTES

8. Note to applicant.

Rights of Appeal under the Planning (Listed Buildings and Conservation Areas) Act 1990 Section 20

If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission for the proposed development or to grant permission subject to conditions, he/she may appeal to the Secretary of State responsible for planning within;

- **Six months from the date of this decision notice.**

Appeals must be made on a form which is obtainable from the Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN. Alternatively all forms can be downloaded from their website www.planning-inspectorate.gov.uk. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances, which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements, to the provisions of the Development Orders and to any directions given under the Orders. He does not, in practice, refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him.

9. Note to applicant.

Listed Buildings

Your attention is drawn to the fact that;

No works affecting the special architectural or historic interest of the building may be executed until this authorisation has been fully approved.

A person contravening this requirement shall be guilty of a criminal offence and may be prosecuted. This may result in a period of imprisonment and /or fine

10. Note to applicant.

Claiming Compensation

In certain circumstances, a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of an application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
