RE: ***Application description***

Proposal: Erection of security fence and associated access gate.
Location: 7 Lancaster Way Huntingdon PE29 6XU

Following a review of the documents provided to the Highway Authority as part of the above planning application it was noted that the drawing 001 rev 02 dated 28/2/2025 shows an adjustment to the position of the gates with a setback of at least 15m from the boundary of the public highway to enable HGVs to wait wholly off the public highway while the gates are opened and closed.

With this adjustment to the position of the gates the Highway Authority does not consider that this application will have any significant adverse impact upon the operation of the highway network.

Sonia Hansen
Assistant Highways Development Management Engineer
