Proposal: Conversion of dwelling into two separate dwellings

Location: 27 Green End Road, Sawtry Huntingdon PE28 5UX

Following a review of the amended drawing number 00127 provided to the Highway Authority as part of the above planning application the I have noted that it is not clear how the car parking space for number 27 will be accessed and if the access shown will be a shared vehicular access. If it is to be a shared access then it must meet our design criteria for shared access which is set out in section 2.12 of the Highways Development Management General Principles for Development- January 2023 - Amended

Please request that the applicant submits an amended drawing clarifying the proposed access arrangements.

Please forward to the Highway Authority for approval.
