Dear Mr Gilbert
Town And Country Planning (Development Management Procedure) (England) Order 2015 (Amended).

Proposal: Discharge of Condition 4 (Details of the doors) of 23/02421/HHFUL.

Site address: 58 Great Whyte Ramsey Huntingdon PE26 1HU

I refer to your application above received on 22 April 2025 and the plans, drawings and documents which form part of the application as described below.

The following condition/s are Approved

Condition 4 - Details of the doors
Condition 4 (Door Details) wording: Prior to the installation of the new doors hereby granted consent, manufacturers details of the doors shall be submitted to the LPA for approval in writing and thereafter the approved doors shall be installed.

Submitted documents/drawings:
- Proposed Ground Floor Plan and First Floor Plan (dwg non 9573-202-00)
- Heritage Door Datasheet
- Proposed Elevations (dwg non 9573-203-02)
- Sections 1 to 14 and Exterior Views of Job Q10595 T.R WEST/GILBERT
- Application form 'Discharge of Conditions' section of the form.

The Conservation Officer was consulted as part of the application. The officers' full comments can be found on the council's website. The Officer raised no objection to the use of aluminium framed Crittal type doors. The submitted details ensure the external appearance of the development does not detract from the character and appearance of the area and accord with Policy LP12 and Policy LP34 of the Huntingdonshire Local Plan to 2036.

Condition 4 is therefore discharged in full.

Where conditions have been discharged by the Local Planning Authority or where the condition details are acceptable but cannot be discharged, the works must be implemented in full accordance with the approved details and the development shall be retained as such thereafter.

Yours sincerely

Clara Kerr
Chief Planning Officer
