Identification of Trees and proposed work:

T1 Plane tree overhanging bus bays from PAC area:
crown lift to 5m over bays
Reason: to improve access to bus bays

T2 Horse Chestnut at front of PAC: remove dead section in upper crown down to sound wood (approx. 4 metre reduction of dead section)
Reason: remove potential safety hazard

G1 3x small and 2x large Field Maple at rear of 33 Snowdonia Way: fell close to ground level
Reason: ongoing subsidence issues in neighbouring property

G2 Trees at side of No.33 Snowdonia Way:
1 x Alder: reduce to 3m high
Group of Field Maple: reduce to 3m high
Reason: ongoing subsidence issues in neighbouring property
