Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I'm objecting to this extension due to there already being a huge eye sore of a building in the back of the garden which I think should have planning permission but we never received any sort of communication to say so! And the parking from that house already is ridiculous and the bigger the house I'm sure they will have more people and more cars, it's already really unsafe down the road for the children, and there will be even more noise and disruption!

Kind regards
