5 Park Road St Ives PE27 5JR - TPO (8196-Gregory)

Identification of Tree and Proposed Work:

T1 Willow in back right corner of garden: re-pollard at 2.5m (approx. 2.5m reduction)
Reason: to reduce end weight on decayed tree

T3 Large Sycamore to left of garden: reduce side closest to house by 2m laterally
Reason: to provide clearance from building

Please see aerial photograph below for tree location
