RE: ***Application description***

Proposal: Erection of 2 bedroom chalet bungalow.
Location: 18 Bencroft Lane Warboys Huntingdon

Following a review of the documents provided to the Highway Authority as part of the above planning application I have noted that the proposed development is for a new dwelling with a new access over the highway verge into Bencroft Lane, adjacent to the existing access to 18 Bencroft Lane and the access to Fenton Field Farm.

Based on the information submitted, from the perspective of the Local Highway Authority the proposed development is acceptable.

If the Local Planning Authority are mindful to approve the application, please append the following Conditions to any consent granted:

HDMC 14 Prior to the commencement of the first use the vehicular access where it crosses the public highway shall be laid out and constructed in accordance with the Cambridgeshire County Council construction specification. Housing Estate Road Construction Specification January 2023

Reason: In the interests of highway safety and to ensure satisfactory access into the site.

HDMC 26 The access shall be constructed with adequate drainage measures to prevent surface water run-off onto the adjacent public highway, in accordance with a scheme submitted to and approved in writing by the Local Planning Authority.

Reason: To prevent surface water discharging to the highway.

HDMC 28 A metalled surface shall be provided for a minimum distance of 5m along the access road from its junction with the public highway.

Reason: To prevent mud and extraneous material being deposited on the highway.

INFORMATIVES

HDMI 1 If this development involves work to the public highway, it will require the approval of the County Council as Highway Authority. It is an OFFENCE to carry out any works within the public highway, which includes a public right of way, without the permission of the Highway Authority. Please note that it is the applicant's responsibility to ensure that, in addition to planning permission, any necessary consents or approvals under the Highways Act 1980 and the New Roads and Street Works Act 1991 are also obtained from the County Council.

Public Utility apparatus may be affected by this proposal. Contact the appropriate utility service to reach agreement on any necessary alterations, the cost of which must be borne by the applicant.

The applicant should note that the nature of the highway works proposed will necessitate the completion of a Section 184 Highway Works Agreement between the developer and the LHA prior to commencement**.** Dropped kerbs and access protection markings - Cambridgeshire County Council
