The Proposed Building

Please indicate which of the following are involved in your proposal

- [x] A new building
- [ ] An extension
- [ ] An alteration

Please describe the type of building

relocation of Barn B-
Consent was given in 2018 under applications 18/00719/FUL and 18/00720/LBC to convert the Pringle Farm site into holiday accommodation. Barn B become surplus to requirements and presented a Health and Safety hazard, it was therefore carefully dismantled and stored. In 2022, under application 22.01614.FUL, consent was given for the construction of an office building on the site where Barn B had previously been located, this area was therefore no longer viable as a location for Barn B. Also in 2022, officers gave consent for an agricultural barn on the open land closest to the farmyard site under 22.01053.AGDET. Preliminary enquiry application 23.70099.PREAPP sought comment on the principle of relocating barn B to the north of this. Officer response to the preliminary enquiry proposal states 'Officers would support the siting of Barn B to the south of the barn consented under 22.01053.AGDET...'. The agricultural barn consented under 22.01023.AGDET is no longer to be built and the current submission therefore seeks consent to locate Barn B to the area where it was to be located. This submission is made in conduction with a condition discharge application for C2 on 23/02319/S73.
