Details of the pre-application advice received

The planning Officer offered advice by email confirming the submission of a NMA would be the best route of action to progress a Discharge of Condition Application already submitted.

Olivia has dealt with previous applications for this property including an ongoing Discharge of Condition Application connected to this Non-Material Amendment Application.

Authority Employee/Member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
