RE: Application description
Location: Proposal: Replacement Community shop with timber cladded building

Site address: Grafham Community Shop Grafham Village Hall Brampton Road

Following a review of the documents provided to the Highway Authority as part of the above planning application I have noted that this is an application to replace the existing portacabin with a new building on the same site. There is no change to the highways access or parking arrangements.

The Local Highway Authority raises no objections to the proposed development.
