Dear Mr Steel

Proposal: SC 1 sycamore Reduce by 30%
CD2 Cedar Reduce lateral limbs by 1-3m where needed

Site address: Village Hall Main Street Bythorn

Applicant: Manor Farm Tree Services (Mr Jonathan Steel)

I have inspected the tree(s) and considered the work you are proposing to carry out described in your notification received 5th June 2018. It is not our intention to recommend the tree(s) be protected by a Tree Preservation Order and therefore you are free to proceed with this work.

If you require any further information please contact me using the details provided below.

NOTES

1. ***Trees and Wildlife*:** Trees are hosts to nesting birds, many of which are protected by law. Investigations should be carried out for signs of bats (all of which are protected by law) and nesting birds and advice sought from appropriate agencies such as Natural England, the Bat Conservation Trust (BCT) or the Royal Society for the Protection of Birds (RSPB) following any positive sightings. Tree works should be planned carefully to avoid disturbing nesting birds and roosting bats. The disturbance of protected species is an offence and could result in prosecution, a criminal record and a substantial fine.

Yours sincerely
