Description of the Proposal - Please state the condition number(s) to which this application relates

Condition number(s)

Previous Answers:

Condition - 4
Prior to the installation of the new doors hereby granted consent, manufacturers details of the doors shall be submitted to the LPA for approval in writing and thereafter the approved doors shall be installed. Reason: To ensure the external appearance of the development does not detract from the character and appearance of the area in accordance with Policy LP12 and Policy LP34 of the Huntingdonshire Local Plan to 2036.

Updated Answers:

Condition - 3

The materials to be used in the external construction of the development, hereby permitted, shall be as detailed in drawings and plans received by the local planning authority on December 2023 and February 2024 unless otherwise agreed in writing by the Local Planning Authority.

Updated Answers:

As per SCHEDULE OF ITEMS REQUIRED (25/80114/COND)
We are unable to register the above application because:
1. Please submit a seperate application for the householder consent, reference 23/02421/HHFUL. We cannot consider them both under the same application. Please therefore remove the HHFUL reference from the submitted forms and submit a new application to have the condition discharged from the householder consent.
Please amend the application forms submitted as the LBC application reference stated is incorrect. The correct reference is 23/02422/LBC. You have used the HHFUL numbers for the LBC consent.
Please also amend the condition number which you are seeking to discharge. You have stated on the forms that you are applying to have condition 4 discharged, however, it is condition 3 that relates to details of the doors.

Unfortunately I couldn't edit the title of the submission.

Amendments to the Fee Calculation

Concessions - Is this a new version (2 or higher) of an application originally submitted before 1 April 2025?
Please note:
- This exemption only applies to subsequent versions of the same application made using the Planning Portal amendment functions.
- This exemption should only be used to bypass payment of incorrect fees for amended applications caused by government fee changes.
- Once submitted, the local authority will inform you if any additional fee is due.
