Subject: Onion storage

Hi Charlotte

Planning Ref: 25/00743/AGDET

Land South East Of 1 To 4 Hill Top Cottage, Alconbury Hill, Alconbury Weston
Agricultural building for the conditioning and long-term storage of UK grown onions

This application is for an onion processing plant close to residential dwellings (that are unfortunately located down-wind) so I am concerned about odour and vehicle noise. If possible, we would require a noise assessment and an odour assessment prior to making an informed comment on this proposal.

Thanks,
Aaron
