Residence 7

PAINSWICK | CHALK WHITE

My RESIDENCE *Case Study*

This breathtaking home has been given a fresh update with 19 brand new Residence Collection windows and doors. Painswick was chosen because it complements the stonework beautifully, and gives that countryside vibe!

The clean flush exterior on the other hand, has added a modern touch making the property timeless. The stunning aethetics and the their likeness to timber was the reason they were chosen to match perfectly with their timber conservatory - the perfect partner!

"We try to be sympathetic to properties as much as possible, and also guide customers on what the best options are and products to use on their homes to suit. We use software that gives you a virtual impression of what the windows will look like which really helps and aids in choosing which product and colour schemes."
