Categories: [redacted]

Hi Laura

Planning Ref: 24/80436/COND
Env Health Ref: 406858

Land At Riversfield Great North Road Little Paxton
Discharge of Condition 19 (Noise Mitigation Verification) and 20 (Residents Travel Information Pack 2024) of 22/01594/OUT.

I am afraid I am struggling with interpreting the noise mitigation verification report because it refers to plot numbers that don't link to the site plan I have. As far as I am aware, plot numbers span from 1 to 26, however the ventilation designs (appendix 3) start at plot 212, then 210-211, 217 and finally 221-222. I have tried to link the scheme just using the house name but it's proving a little tricky. Could the plot numbers be checked please?

Thanks,
Aaron
