RE: ***Application description***

Proposal: Erection of a freestanding V-Board sign
Location: Land West of the East Coast Mainline Railway and North of Spittals Way Huntingdon

Following a review of the documents provided to the Highway Authority as part of the above planning application, it was noted that Drawing UAC048/044 A141 Signage Site Plan and Drawing UAC048/043 A141 Signage Location Plan indicate that the sign will be within the applicant's site. However, document RDS111 indicates that the sign will be within the highway verge which is not acceptable.

Therefore, providing that the sign is located within the applicant's site, no significant adverse effect upon the Public Highway should result from this proposal should it gain benefit of Planning Permission.
