Dear Mr Ingram

**RESIDENTIAL DEVELOPMENT AT LONDON ROAD, HEMINGFORD GREY**

I refer to your letter of 13 September to Martin Bagshaw of John Martin and Associates, which amongst other things, set out comments from the Local Highway Authority on the submitted Transport Assessment.

An interim progress note was sent by email to Geoff Crocker on 23 September, and I now enclose two copies of a Supplementary Report by way of formal response. Please accept my apologies for the delay, occasioned by staff sickness.

The various issues raised by the highway authority have been discussed by telephone and email, so I now believe that matters are satisfactorily resolved. To assist in securing a speedy response, a copy of this report has been submitted directly to Cambridgeshire County Council, for the attention of Huw Nicholas.

Should you require any further copies or other information, please contact me in the first instance: 01733 573209 or d.palk.pa@ntlworld.com.

Yours sincerely

Derek Palk
