Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This Tree has caused problems especially in high winds which we experience quite frequently during autumn and winter, branches falling off onto our property phone lines (internet) been taken out which took over 3 weeks to resolve for us and our neighbours, obviously if this tree breaks and wind blowing towards us it will damage our property/cars etc. we are in favour of having tree reduced to make it safer.

Kind regards
