Fenton Fields Farm, Bencroft Lane, Warboys, Huntingdon PE28 2SE
Permission in principle for the erection of four dwellings.

Environmental Health have no objection to this planning in principle proposal, however, as it is within 75 metres of the A141 and close to Fenton Field Farm, the impact of noise on residential amenity should be considered with any further planning application.

Please do not hesitate to contact me should you have any queries regarding the above.

Best regards,
