Comments Details

Commenter Type:	Town or Parish Council
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	No. 19 is situated at the end of Meadow Close. We do not believe that the proposed conversion will impact houses/neighbours nearby. The visual amenity of the area is preserved, parking is adequate, highway safety maintained and road access sufficient. There is no adverse effect on nature conservation and biodiversity and the proposal complies with local, strategic, regional and national policies. The Parish Council therefore recommends approval.

Kind regards
