Dimensions- are in millimetres, unless otherwise stated.
- are based on survey measurements by others.

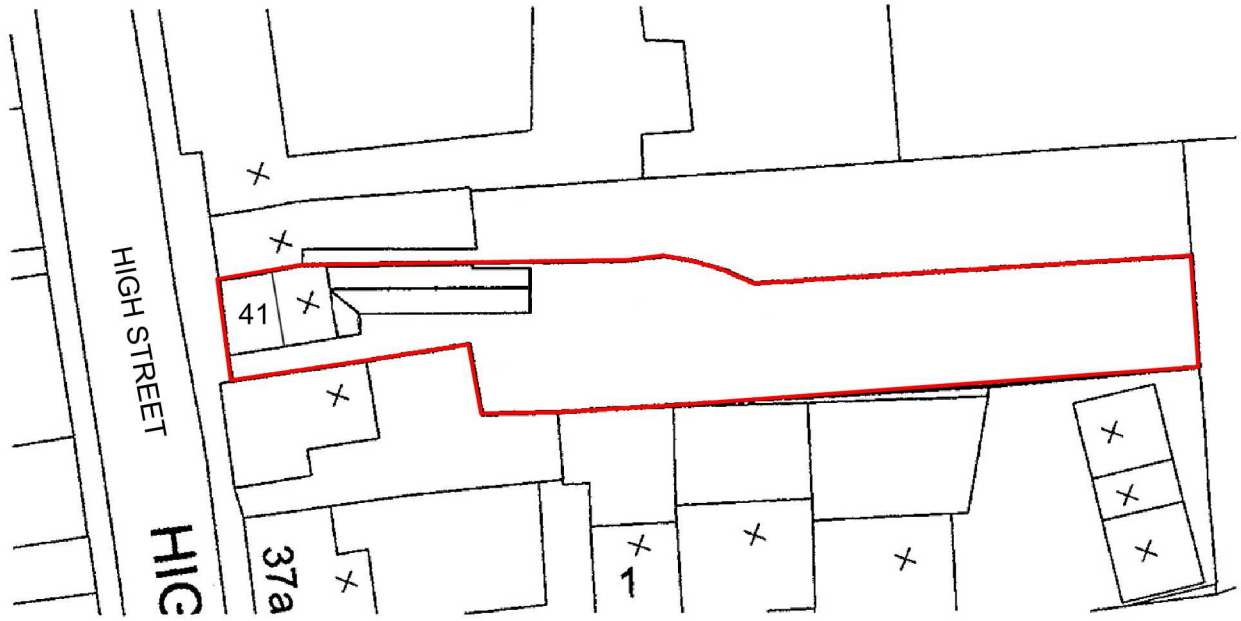

Report any discrepancies/differences in information to the architect
Use the latest version of information
Read all relevant information together } Refer to document register

If anything is unclear, contact the architect for further explanation.

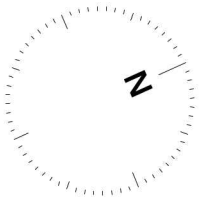

Dimensions must all be checked on site by the contractor.
Do not scale from drawings - use written dimensions only.

The architect accepts no liability arising from the use of information prepared by him by parties other than the party for whom it was prepared or for purposes other than those for which it was prepared.
