Reasons for comment:	
Comments:	Ref. No: 24/02288/CLED | Received: Thu 05 Dec 2024 | Validated: Thu 05 Dec 2024 | Status: In progress I refer you to previous applications Ref. No: 24/00957/CLED Ref. No: 23/00799/CLED Ref. No: 1201516CLED And also Ref. No: 20/02460/FUL These were refused by HDC. Further comment submitted at the time of each application is available with each application There is still no dedicated water supply to this address, which I believe is required for planning and development. Further development of this site will impact supply to 3 other properties on the farm track as pressure is generally less than 1 bar I have researched and provided information [redacted] on getting a dedicated water supply I may submit a late comment when my agent returns to work on 06/01/24

Kind regards
