Reasons for comment:	
Comments:	Comment on application Ref. No: 24/02288/CLED | Received: Thu 05 Dec 2024 | Validated: Thu 05 Dec 2024 I would refer you to previous applications Ref. No: 24/00957/CLED Ref. No: 23/00799/CLED Ref. No: 1201516CLED and also Ref. No: 20/02460/FUL which were refused by HDC There is still no independent water supply registered for this address, which I believe is requirement of planning applications. Further development may impact water supply to other 3 properties on the same supply. Water pressure is less than 1 bar generally I have researched the costings for a new water supply and provided this information [redacted]. Due to Christmas and New Year I cannot provide further supporting documentation but all previous comment documents will be linked to earlier applications May I make lodge a late comment , when my agent returns, 06/01/25?

Kind regards
