Comments from Lead Local Flood Authority (LLFA)

Dear [redacted],

Thank you for your consultation which we received on the 26th November 2024.

We have reviewed the following documents:

- Pond Sections, Stantec, Ref: 0502, Rev: P03, Dated: 9th October 2024

Based on these we **can recommend discharge of Condition 2 (Drainage)** of planning permission **18/02499/REM**. The proposed attenuation basin design is satisfactory and the contruction is in line with what the LLFA deems acceptable.

Yours sincerely,
