Address:	Steve Van De Kerkhove Community Centre Cemetery Road St Neots

Comments Details

Commenter Type:	Town or Parish Council
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	As a near neighbour to the proposed application, we support the development of a learning pool in St Neots. However, we would like to highlight concerns regarding the limited car parking provision and the potential impact this could have on the Council Depot and the movement of council vehicles. Council vehicles require regular access to the depot throughout the working week and during weekend activities. St Neots Town Council trusts that the operator will take appropriate measures to prevent any issues related to customer and staff parking, ensuring that there are no negative impacts on the Council's operations or neighbouring properties.

Kind regards
