Reasons for comment:	
Comments:	We live on Manor Farm Road about 50 meters from the site and [redacted]. We are commenting as residents of Waresley to say we are supportive of this small development on the understanding it's only up to 3 houses and assuming that they will be in keeping with the rest of the road. Despite some inconvenience during the build, we think Waresley would benefit from having 3 new families to help with the sustainability of local assets like our public house and cricket club. We both recognise the need for small settlements like Waresley to have some small incremental developments in appropriate locations from time to time. [redacted]
