Application: Discharge of condition 15 (Lighting Scheme) of 20/00161/REM 1. Outdoor Lighting Reports 2. Proposed Lighting and Installation Design Layouts.

Location: Upwood Hill House and part of RAF Upwood, Ramsey Road, Upwood.

This condition does not appear to have been requested by the Highway Authority and I would not therefore look to comment on the suitability of the information provided in respect of its discharge.

I would note that the position of lighting columns shown on plan within the areas of proposed public highway appear to align with that submitted the Highway Authority for s38 agreement. This alignment however has yet to receive technical approval as part of this agreement and any approval in planning may therefore require further amendment to comply with requirements for adoption.
