Hi Kevin,

Proposal: Creation of Monkey Enclosure and Erection of Viewing Hut
Location: Johnsons Of Old Hurst Church Farm Church Street Old Hurst
Planning Ref: 24/01943/FUL
EH Ref: 401053

Thank you for consulting us on the above. I couldn't see any information on the type of monkeys they are proposing to have on site. The enclosure is over 100m from the nearest residents so there shouldn't be any issues, however I would recommend that they do not have Howler Monkeys as they can be very loud (let me know if you want a condition to cover this).

I have copied in our Business team and licensing who will contact you directly if they have any concerns or queries to raise.

Many thanks

Claire.
