Dear Sir/Madam

Tree Works Application.

Site Address; 11 Common Lane, Hemingford Abbots

I have tried to use the Tree Works application form on the Huntingdonshire County Council website but the form does not allow me to type anything in. So I am making an application via a letter.

I wish to carry out the following tree works at 11 Common Lane of which I am the owner.

Proposal.

Sycamore T1- Reduce height from 10 m to 3m – pollard tree by driveway, poor specimen

Sycamore T2 -Reduce height from 10 m to 3m – pollard tree by driveway, poor specimen

Sycamore T3- Reduce height from 10 m to 3m – pollard tree by driveway, poor specimen

Silver Birch T4 – Fell to ground. Diseased/dying. Poses risk to houses if it falls over in storm.

Plane T5- Fell to ground. 25m tall and over 50yrs old. Tree too tall and big, shading large area of garden. To replace with magnolia or flowering Cherry (Prunus sp.).

A sketch map showing the tree locations and works proposed is attached.

I look forward to hearing from you.

Kind regards
